EXPERIENCE

Video Editor Lead | Smooche | United States (Remote)

- Lead multiple editing pods producing performance video ads for a DTC beauty brand.
- Rolled out my Claude-powered AI production workflow across the pods, increasing both production speed and ad quality; pod editors showed significant improvement.
- Partner with creative strategists on creative briefs, analyzing customer psychology and ad data to develop more winning concepts.
- Research and introduce advanced AI tools and skills to raise team output and the ad win rate.

AI Ad Creator | Mida Theory | United States (Remote)

- Joined the startup in its launch month to produce AI video ads and static ads for Meta.
- Scaled sales 2x within two weeks of joining.
- Produced a new winning ad at a $25 CPA.

Video Editor | Advanced Agent Marketing | Greensboro, USA (Remote)

- Created performance-driven video ads for annuity and retirement income offers aimed at seniors, generating qualified client appointments and high CTRs through conversion-focused editing and creative optimization.

Video Editor | Remotestar | United Kingdom (Remote)

- Edited podcast and digital video content with strong storytelling, pacing, sound design, transitions and platform-focused visual optimization.

Video Editor | Pocket FM | Bengaluru, India

- Part of the French content team, producing AI-assisted long-form video episodes across multiple shows while keeping narrative consistency, visual quality and high-volume output.

Lead Video Editor | FRND | Bengaluru, India

- Led the PlayChat pod, delivering DTC ad creatives and AI video content; produced top-performing winning ads on Meta through performance-driven creative strategy, rapid testing and conversion-focused editing.

Freelance Video Editor and AI Ad Creator | DTC Brands and Y Combinator Startups | Remote

- Created AI-generated and UGC-style video ads for DTC brands including Resilia, Pluune, Alphaskult and HUEVIA across the United States and the European Union.
- Produced launch videos for Y Combinator startups including Linzumi, lim.run, Memoir, Bubble Lab and Marble; edited video content for Dramabox.
- Edited for billion-dollar brands, the United Nations and a Times Square screen; edits have driven $100M+ in sales.

ACHIEVEMENTS

- Built a Claude-powered ad production workflow, connected to TrendTrack and Atria for ad research, that scripts, generates, quality-checks and edits AI ads; adopted by the Smooche editing pods.
- Won multiple competitions and secured top ranks in video editing and documentary filmmaking.
