SURYANSH SRIVASTAVA

VIDEO EDITOR | AI VIDEO CREATOR | DTC AD CREATIVE SPECIALIST

+91 9140738944 | suryanshsrivastava05@gmail.com | Portfolio | Mumbai, India

PROFILE

AI Video Creator and Video Editor, and a **Creative Partner with InVideo AI**, with experience working with **8 and 9-figure DTC brands** and **Y Combinator startups** on their launch videos. I turn concepts into performance-driven AI video ads, cinematic visuals and short-form content for Meta, Google Ads and social platforms. Skilled with modern AI tools including **Claude, Seedance, Kling, Suno AI, Higgsfield and Runway**, I speed up production while keeping strong visual consistency, storytelling and high click-through rates.

SKILLS

Editing & Design Tools: Adobe Premiere Pro, Adobe After Effects, Adobe Photoshop, Canva

AI Tools: Claude, Seedance, Kling, Suno AI, InVideo AI, Higgsfield AI, Runway ML, Descript, ElevenLabs

Creative Skills: AI Video Generation, Performance Ad Creatives, Short-Form Video, Storytelling, Scriptwriting, Color Grading, Typography & Design, Speed Ramping

Editing: Motion Graphics, 3D Camera, Audio Mixing, Rotoscoping, Captions & Subtitles

EXPERIENCE

DTC Video Ad Creator | Freelance — Past 1 Year, Remote

DTC Video Section | Resilia, Pluune, Alphaskult, HUEVIA

- Created and edited AI-generated and UGC-style video ad creatives for DTC brands including **Resilia, Pluune, Alphaskult and HUEVIA**, working with 8 and 9-figure DTC brands across the **European Union** and the **United States of America**.
- Built ad concepts, hooks and scripts, then produced final videos with Claude, Seedance, Kling, Suno AI and Adobe Premiere Pro / After Effects for Meta and Google Ads.
- Delivered performance-winning ads with high CTR through strong hooks, pacing, captions and sound design.

Video Editor | Pocket FM — March 2026 - September 2026, Bangalore, Karnataka

- Edited long-format episodes of French shows, creating visuals, adding captions and cutting video content for multiple episodes.

Freelance Video Editor | FRND — Jan 2026 - July 2026, Bangalore, Karnataka

- Developed high-performing AI-generated video advertisements for Meta, Google Ads and FRND's social media channels, improving creative quality, engagement and visual storytelling.

Freelance Video Editor | Advanced Agent Marketing — United States of America

- Created high-performing advertisement videos targeting senior citizens, educating them about types of annuities and how they support retirement income planning.

Freelance Video Editor & Graphic Designer | Dramabox and Y Combinator Startups

- Edited and produced video content for **Dramabox**.
- Produced launch videos for **Y Combinator startups** including **Linzumi, lim.run, Memoir, Bubble Lab and Marble**.

PROJECTS

• AI DTC-1 • AI DTC-2 • Launch Video

ACHIEVEMENTS

- Produced **performance-winning ads** with a **high CTR** across Meta and Google Ads for DTC brands and startups.
- Connected **Trendtrack** and **Atira** to **Claude** to analyze trending art styles and script patterns, then applied those insights to ad creatives and scripts.
- Integrated Claude, Seedance, Kling and Suno AI into the creative workflow to accelerate production speed and improve ad quality.
- Won multiple competitions and secured top ranks in video editing and documentary filmmaking.

EDUCATION

Bachelor of Technology, Electrical Engineering | MMMUT Gorakhpur — Expected 2027
